## HOME DECORATING 101 Program Overview

There are four individual projects in this program: Decorator Table, Placemats, Napkins and a Throw Pillow. You can view them all from start to finish by selecting at the Main Menu “Play All”.

You can view individual steps for making the Decorator Table Cover by selecting at the Main Menu “Decorator Table Scene Select”. There are 4 scenes to choose from:

1. Determining Size  
Your essential tools for this project include fabric, a tape measure, cutting tools, chalk or other marking tool, a safety pin and a sewing machine with new needle and matching thread.
2. Determining Yardage
3. Sewing the Table Cover
4. Finishing the Table Cover

You can view individual steps for making the Placemats by selecting at the Main Menu “Placemats Scene Select”. There are 2 scenes to choose from:

1. Determining Size and Yardage  
Your essential tools for this project include fabric, fusible fleece (optional) a ruler, cutting tools, a point turner and a sewing machine with new needle and matching thread.
2. Making the Placemats

You can view individual steps for making the Napkins by selecting at the Main Menu “Napkins Scene Select”. There are 2 scenes to choose from:

1. Determining Size and Yardage  
Your essential tools for this project include fabric, fusible fleece (optional) a ruler, cutting tools, a point turner and a sewing machine with new needle and matching thread.
2. Mitered Corners  
Be sure to download the file on mitered corners so you’ll have a handy reference whenever you want to perform this professional looking finishing touch.

You can view individual steps for making the Throw Pillow by selecting at the Main Menu “Throw Pillow Scene Select”. There are 2 scenes to choose from:

1. Tools and Size Options

Your essential tools for this project include fabric, trim, pattern, a pillow form or stuffing, a sewing machine with new needle and matching thread and a zipper foot.

2. Sewing the Pillow Cover

There are several “Special Features” included where you will find brief overviews and information pertaining to fabric, notions, machines and information about your host.

Check out all the files available to download. You’ll find formulas and standard measurements for various sizes of tablecloths and napkins and a glossary of terms, helpful to any sewer! Please visit our website for additional DVD projects and books at [www.HipLineMedia.com](http://www.HipLineMedia.com). We would love to hear your comments. Remember, when you master the fundamentals, you can create something unexpected!
